PitchMark deters idea theft and provides you with options if it happens.

PitchMark protects the expression of your original concepts, designs,  
proposals, business plans, creative pitches, music - in short, any idea that you  
conceived and published, and claim as your own. It gives you peace-of-mind

by signalling to whoever you share it with that you are its creator, and that you wish to be respected as such.

If you receive or evaluate ideas or pitches, join PitchMark as a sign of your commitment to respect the Intellectual Property rights of their creators. Attract more in-depth pitches from a wider range of sources. Highlight your PitchMark membership in your Sustainability or CSR Report.

PitchMark is registered in Singapore as a Limited Liability Partnership between Hong Bao Media (Holdings) Pte Ltd and Managing Partner Mark Laudi.
